Call for Papers

The IEEE Wireless Communications and Networking Conference (WCNC) is one of the premier annual events of IEEE in the wireless research arena bringing together researchers, academics, industry, and government. WCNC 2023 will be held in Glasgow, home of four universities as well as the Scotland 5G Centre, stimulating the deployment of new wireless technologies across urban and rural areas and transforming society, economy and industry. WCNC 2023 will include technical sessions, tutorials, workshops, and technology and business panels. You are invited to submit papers, and proposals for panels, tutorials, and workshops, in all areas of wireless communications, networks, services, and applications. Information on how to submit proposals for panels, tutorials, and workshops can be found on the WCNC 2023 conference website. The submissions of technical papers should be made on EDAS in the following four tracks.
